We are now offering a convenient way for you to make a payment.

Easy way to Pay!!!

1) Sign up for an automatic Payment withdrawal to your checking or savings account. Fill out this authorization form and attach a voided check.

Electronic payments are a safer way to pay.

Electronic checks are actually safer than paper checks because they reduce the chance of identity theft by utilizing the Federal Reserve's ACH System.

Avoid late payments with Auto-Pay

Your payments will be withdrawn, on time, on the date you specify. Enjoy the benefits of knowing your payment has been made.

Benefits of Electronic Payment Program:

This payment option will provide you with a fast and convenient way to pay your bill. This secure way of making your payment will save you the time and effort of mailing in another bill.

• It's easy (anyone can do it!)
• It saves time (nothing to mail!)

You will still receive your monthly bill.

Your bill will continue to be mailed to you each month. By using the automatic payment system, you will be able to see a history of your past transactions.
